James R. Williams Outlines Chamber of Commerce Objectives at Dinner Meet

James R. Williams, new president of the Albany Chamber of Commerce, Friday night outlined objectives of the organization for the coming year.

These include a concerted effort to attract new business to Albany, creating a concentration of shoppers in a shopping center atmosphere; a master planning program creating the necessary parking areas to develop a large shopping area, and a membership drive to recruit all of the 450 businesses in the city.

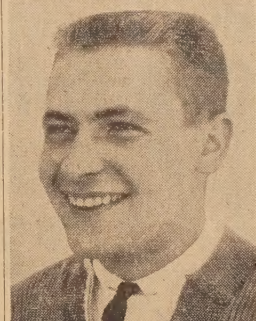

"Working together we can bring lots of business, city improvement and wealth to the city of Albany," Williams said, "and that's what we want to do in the coming year."

The new president said one of the first things a Chamber must do is to help the smaller merchants, who can't go out and get the business. He said these merchants are of utmost importance, providing sales taxes and property taxes, the money for Albany's city government. "They can jointly work together through the Chamber of Commerce," Williams said.

Outgoing President Thomas

Gabriele received a past president's award; Maid of Albany Lorene Baum was presented with an orchid; Fire Chief Gerald Browne accepted a certificate of merit in fire prevention issued by the U.S. Chamber of Commerce, and Former Albany Times Editor Hal F. Weller received a plaque of appreciation from the Albany Chamber of Commerce.

Entertainment was by the DuMont Dance Studio. About 140 persons attended.

Notice

This issue of the Times is related to the proposition that during graduation week, school news takes precedence over everything.

Because space is limited and school news goes first, you may be disappointed to find a release you submitted is not included. We'll try to print those which are still timely next week.

RECKAS BRANDS RAILWAY RIGHT-OF-WAY DISGRACE TO THE CITY

Displaying enlarged photographs to back up his claims, Nick Reckas, Solano Avenue businessman, Monday night branded the Santa Fe right-of-way area "a disgrace to the city."

Speaking under Good of the City following a routine City

Council meeting, Reckas demanded that something be done about "the filth, dirt, rats, mice, debris, broken bottles, Kleenex, and dog droppings" which have made an eyesore of property adjacent to his fabric business, which is "right in the center of town."

The Council asked Administrative Officer James B. Turner to contact the railroad about the matter and to refer disposition of rats and mice to the City Health Department.

Reckas volunteered to landscape the area if the railroad would grant him permission.

In other matters, the Council

Approved the purchase of a police car from Jim Wouffe Ford, following recommendation from Police Chief Ralph Jensen; denied a claim by Donald Rice of Kensington on behalf of his son, Eric, for \$10,000 damages resulting from a swing accident in a city park, referring the case to the city's insurance carrier; authorized the mayor to proclaim June 11-16 as Little League Week; approved Chief Jensen's request for reclassification of James Simmons from patrolman-clerk to patrolman; granted \$50 to Albany Post 292, American Legion, to help send its color guard to Fresno;

Referred to Administrative Officer Turner a questionnaire from the mayor of Oakland regarding full opportunity in Albany; accepted Turner's recommendation of approval of a 5/8 cent gas tax allocation budget, and approved his recommendation of a resolution approving continuation of route studies for a second shore line freeway west of the existing freeway (directed to county Highway Advisory Committee);

Approved on first or second reading ordinances concerning increase in race track admissions tax, control of dogs, mayor executing a statement of values, confirming appointments;

Set budget sessions for 7 p.m., June 19 and 21; authorized \$10 fund to the new Albany Rapid Transit Committee, which includes Barry Rinnion, chairman, and Stanley Young, Larry Baum, W. A. Miller, Nicholas Stephens, and Joseph Cravotto.

Councilman Carlevaro asked that two letters concerning Safety, published in last week's Times, be included in the record of the meeting. He submitted a clipping concerning four outstanding students at Albany High School. It was voted to send congratulatory letters to the four from the mayor and council.

(A line was dropped from an article concerning appointments in last week's issue. To set the record straight, Councilman Lew is Howell named Carl J. Mac Williams to the Planning and Zoning Commission and Mayo Joel Parker named Giltum Fred to Civil Service Commission. Ed.

SGT. CARL LINDH, who was shot in a holdup of Sam's Pharmacy May 26, has been at home for a few days from Hickey Hospital, getting about with crutches. He is expected to go back to the hospital for the removal of one or both of the bullets.

Council Urges Flags Displayed Thursday, Flag Day

Members of the Albany City Council have urged local residents to display their flags tomorrow, June 14, which is Flag Day.

Councilman Joe Egenberger requested a proclamation by the mayor, but it was too late for publication this week.

Instead of a proclamation, the Albany Times is printing this statement read by Councilman Egenberger at Monday night's meeting:

"One year after the Declaration of Independence, Congress resolved that 'the Flag of the United States be thirteen stripes alternate red and white, that the Union be thirteen stars white in a blue field representing a new constellation.'"

"That was on June 14, 1777, and on August 3, 1949, June 14 became officially recognized as Flag Day. On this day it is particularly appropriate for all patriots to display the emblem of our unity, pride in our country and loyalty to the principles of a free nation under God."

Friday, June 22; Wednesday, July 4; Friday, July 20; Friday, August 10; Friday, August 24; Friday, September 14.

All dances are held from 8 to 11:30 p.m. at the Recreation Center, 1123 Eighth Street.

Craig Nelson, Donna Fulks, Linda Parshley, Lynn Grisham, Jan Franklin, Dick Clopton and Paul Mann were elected to the council of the Albany Youth Club at the Club's annual elections dance.

HOMER HERN of Albany won the trophy in Class WX at the Saturday night drags at Vaca Valley strip June 9 with a top speed of 99 mph and elapsed time of 14.14.

CAROL ANN JONES of Albany was installed Saturday night as Honored Queen of Bethel 52, International Order of Job's Daughters, in ceremonies at Berkeley Masonic Temple. The list of other officers will be printed next week.

Arnesons Host Reception For Svein Mortensen

The E. R. Arnesons of 1128 Masonic will host an Open House on Saturday, June 16, from 2 to 5 p.m., so that his many Albany friends can say their farewells to Svein Tore Mortensen, before he leaves here June 17. Svein, from Oslo, Norway, has been attending Albany High School for the past year under the auspices of the American Field Service, while living with "mother" and "father" Arneson, "sister" Kathy, and "brother" Dick.

There are busy days for all the Arnesons, touched with sadness because of the coming parting, but it is particularly hectic for Svein and Dick. Between finals, proms, Ditch Day and graduation, followed by the traditional All-Night Party, the boys don't have a minute to spare. Then on the Sunday following the last day of school, the whole family will drive to Dixon, where Svein will join approximately 70 other AFSAers from northern California.

Following a two-day stay in Dixon, the foreign students will leave by bus for a three-weeks tour of the United States. A highlight of the trip will be their stay in Washington, D.C., where President Kennedy will greet these "ambassadors of friendship" from many lands.

For any of his friends who wish to write him, Svein's address during the trip will be: American Field Service, 313 East 43rd Street, New York 17, Bus No. 59.

Connell PTA Honors School Grads

Graduates of Cornell School will be given a party and a dance in the school cafeteria and auditorium respectively following graduation exercises Thursday, June 14, sponsored by Cornell PTA.

Mrs. Peter Sandretto, Graduation chairman, has planned an afternoon of gaiety and treats for the graduates on this exciting day.

The dance program will be headed by Mrs. George Vila, social dance chairman. She will provide music for all dances the students have learned the past year in their social dance program.

Invitations for special guests have been sent to Kenneth Forry, William Woolworth, Jeannette Musselman, Norman Cathcart, Doris Maier, Frances Tilbury, Irene Freeman, Dorothy Ganster, William Thorpe, William Gubser and Karen Malmstrom.

Serving under Mrs. Sandretto for preparations for this program are Mrs. Alexander Galotta, refreshments, with Mrs. Fred Bellamy assisting. Mrs. Arlen LeGate will head the hostess committee while Mrs. Malcolm Thornly and Mrs. Robert Luoma will provide decorations.

Smith Memorial Scholarship To Gary Gordon

A new annual pre-law Albany High scholarship was established early this year in memory of Robert G. Smith by his son Robert S. Smith and daughter in law Ellen Smith, who are both alumni of Albany High.

Gary Gordon, son of Mr. and Mrs. Milton Gordon of Albany, was the recipient of this award in high school ceremonies held last week. He will use this educational fund this fall when he enters San Jose State College.

"My father was deeply interested in political law and education and in youth achievement," Smith said. "This is being given in his name in hopes the recipients will have the interest and enthusiasm in this field as my father had."

Robert and Ellen were graduated from Albany High in 1950 and 51, respectively.

Little League Week Is June 11-16

Baseball's role in the stepped-up drive to improve the physical fitness of American youth will be emphasized during the observance of Little League Baseball Week, June 11 to 16.

Little Leaguers, more than one million strong in 5,000 communities in all 50 states will take part in local programs marking Little League Week.

Since Little League is a household word in more than 250 Albany homes, the Albany Little League invites all Albany residents to attend games and cheer for the team of their choice.

All games are played on the diamonds at University Village at 6:30 p.m. each week day and 10 a.m., 1 and 3 p.m. on Saturdays. There is a supervised playground for the toddlers and a refreshments stand for those who desire a treat or coffee.

To grow with stability, Little League must bring in the most competent people of the community, welcome their assistance and suggestions lest the program become stagnant for lack of new blood or infusion of new ideas. To support the work of Little League to help it grow is to build a memorial that can be found in the eyes of a boy in his hope for the future.

Paul Inserra is president of Albany's National League and James Brodie is president of the American League.

RICHARD D. BAUER of the Albany area received a master of science degree in wildlife biology at commencement exercises at Washington State University June 3.
